## PRATT SCHOLARSHIPS INCOME GUIDELINES

**Pratt Music Foundation**  
Scholarships are granted based on talent and financial need.

Our scholarship guideline for income is 250% of HHS **Poverty Guidelines**.

The information provided in the application allows the computation of an adjusted income which must be equal to or less than 250% of the **HHS Poverty Guidelines**.

Income is "stated income" minus any unusual expenses stated (medical, catastrophic, etc).

For example, a family of 3 with an income of \$42,000 is less than the maximum **poverty guideline** income (in the 250% column) of \$51,950 and is eligible for consideration.

This guideline page is revised annually as the **Federal Poverty Guideline** changes.

### Department of Health and Human Services (HHS) 2018 POVERTY GUIDELINES

There are two slightly different versions of the federal poverty measure: the **poverty thresholds**, and the **poverty guidelines**.

The **poverty thresholds** are the original version of the federal poverty measure. The **poverty thresholds** are used mainly for statistical purposes — for instance, preparing estimates of the number of Americans in poverty each year.

The **poverty guidelines** are the other version of the federal poverty measure. They are issued each year by the Department of Health and Human Services (HHS). The **poverty guidelines** are a simplification of the **poverty thresholds** for use for administrative purposes — for instance, determining financial eligibility for certain federal programs.

\*\*\* Use the 250% Column \*\*\*

#### 2018 HHS Poverty Guidelines

Units	48 States	150%	200%	250%
1	\$12,140	\$18,210	\$24,280	\$30,350
2	\$16,460	\$24,690	\$32,920	\$41,150
3	\$20,780	\$31,170	\$41,560	\$51,950
4	\$25,100	\$37,650	\$50,200	\$62,750
5	\$29,420	\$44,130	\$58,840	\$73,550
6	\$33,740	\$50,610	\$67,480	\$84,350
7	\$38,060	\$57,090	\$76,120	\$95,150
8	\$42,380	\$63,570	\$84,760	\$105,950

Programs using the **poverty guidelines** (or percentage multiples of the **poverty guidelines** — for instance, 125 percent or 185 percent of the **poverty guidelines**) in determining eligibility include Head Start, the Food Stamp Program, the National School Lunch Program, the Low-Income Home Energy Assistance Program, and the Children's Health Insurance Program. Note that in general, cash public assistance programs (Temporary Assistance for Needy Families and Supplemental Security Income) do NOT use the **poverty guidelines** in determining eligibility. The Earned Income Tax Credit program also does NOT use the **poverty guidelines** to determine eligibility.
